Re: Tyson Nelson v. City of New York, et al., 16-CV-234 (AJN) (DCF)

Your Honor:

I am an Assistant Corporation Counsel in the office of Zachary W. Carter, Corporation Counsel of the City of New York, representing defendants City of New York, retired Detective Richard Allison, Detective Rudy Lahens, Detective Jason Miller, UC # C0113, and UC # C0254 in the above-referenced matter. Defendants write respectfully to request clarification of the Court's Order dated March 9, 2017, in which the Court denied defendants' request to have UC #C0254 deposed behind a screen for his/her protection, however, permitted the officer to testify in disguise as long as her/his face is visible.<sup>1</sup> (See Docket Entry No. 69). Further, to the extent that the Court finds defendants' understanding of the Order correct, defendants respectfully request that Your Honor endorse the attached proposed Order setting forth the parameters of the deposition.

By way of background, plaintiff alleges, *inter alia*, that on December 10, 2013, he was falsely arrested and subjected to excessive force. On February 18, 2017, plaintiff moved to compel certain discovery, including the depositions of the undercover officers without a screen. On March 5, 2017, defendants opposed plaintiff's motion to compel. In their opposition, defendants objected to plaintiff's request to depose UC #C0254 without a screen in place and/or in disguise since the officer is a currently an active undercover officer and a screen and/or disguise is necessary for his/her protection. On March 9, 2017, the Court denied defendants'

request that UC #C0254 be allowed to testify at his/her deposition from behind a screen. The Court, however, indicated that a disguise could be used so long as it did not “hide their faces.”

Defendants interpreted the March 9<sup>th</sup> Order to mean that a wig, mustache and/or glasses could be worn by UC #C0254 during the deposition since such items would not hide the undercover officer’s face. As such, the undersigned contacted plaintiff’s counsel in order to get his agreement regarding the parameters of the deposition. However, plaintiff’s counsel disagreed that the Order permits the undercover officer to testify while wearing a mustache and/or glasses, despite the fact that neither would interfere with plaintiff’s ability to assess the witness’s credibility – which is what plaintiff contended was his primary concern in his motion to compel.<sup>2</sup> Since the parties disagree as to the meaning of the Court’s Order, defendants respectfully request clarification of that aspect of the Court’s March 9, 2017 Order. Further, in the event that defendants’ understanding of the Order is accurate, defendants’ respectfully request that Your Honor endorse the attached proposed Order.

Thank you for your consideration herein.

Respectfully Submitted,

/s/
